

## Bid Suppression

### Course Overview

In this course you will explore bid suppression and earn customer rating stars for correctly identifying how to minimise the risk of supplier fraud relating to it. This is a 5 minute microlearning course, designed to maximise learner engagement and knowledge retention.

### What to Expect

This course will highlight a number of red flags that will alert you to the possibility of suspicious activity:

- A qualified supplier consistently fails to bid
- A surprising protest is received about one of the bids
- Complaints are received from prospective bidders
- The number of bidders is lower compared with previous bids
-
