

Customs Declarations

Course Overview

Importing and exporting goods can be confusing. That's why we've designed this engaging microlearning course all about the process! Using this module, your employees will get to grips with the whys and whats of customs declarations in just a few minutes. They can even refer back to the resources section to double check their actions or refresh their memory.

What to Expect

Employees can expect to learn:

- What is the role of Customs
- Why customs declarations must be filled out
- What a customs code is
- About preferential and non-preferential certificates of origin
- Why sanctions may be imposed
