

# Title Transfers and Incoterms

## Course Overview

When drawing up sales agreements for international freight shipments, it's important to decide on the appropriate title transfer, followed by the correct incoterm for the title transfer.

This microlearning course from DeltaNet International explains in a user-friendly and succinct manner everything your employees need to know about title transfers and incoterms. It will ensure staff are familiar with terms used by Customs and help ensure smooth delivery or receipt of items.

## What to Expect

Staff can expect to learn:

- What a title transfer is
- What incoterms (international-commercial terms) are
- Examples of title transfers
- Examples of Incoterms and how they work logistically
- How to make the most of shipments using a cost benefit analysis
- What legal issues to consider so that shipments aren't delayed or prevented.
