

Equality and Diversity (Manager's Guide)

Train your managers on equality and diversity and develop a culture of fairness and inclusivity

Course Overview

This online training course for managers explains how equality and diversity should be considered by those in management positions when dealing with subordinates, customers and contractors.

The course has been designed to help managers understand how to implement equality and diversity in your organisation and understand the importance of leading the way on good equality and diversity practice.

Key Learning Points

- How to lead the way on equality and diversity
- How to foster good relationships between everyone
- How to apply equality and diversity principles to dealing with employees, customers, and third parties
- How to avoid direct or indirect discrimination based on any protected characteristics
- What the principals of equality and diversity are
- The current UK legislation surrounding equality and diversity
