

Preventing Discrimination and Harassment in the Workplace

Course Overview

Drawing on the main principles of equality and diversity, this course is designed to help your employees understand how they contribute to a fair, equal, and productive workplace and how to prevent harassment.

Throughout the course, learners will be introduced to various realistic scenarios which may involve workplace discrimination or harassment. Using their knowledge, learners will have to decide whether or not the actions depicted infringe on protected characteristics and break equality and diversity laws.

What to Expect

Using this course, employees can expect to learn:

- Types of discrimination
- What constitutes unlawful discrimination
- How to prevent harassment in the workplace
- Acceptable and unacceptable behaviour at work
- What protected characteristics are
- Examples of reasonable accommodations
- What unconscious bias is and how it is formed
