

## Fire Safety Challenge

Our online Fire Safety Challenge course covers fire risk awareness, prevention and emergency evacuation in an engaging way

### Course Overview

There are thousands of workplace fires every year. Fire can be devastating for businesses – not to mention highly dangerous for members of staff and visitors. It's imperative that all members of the team understand both how to prevent fires and what course of action to take in the event of a fire breaking out.

Our Fire Safety Challenge delivers concise and comprehensive training to protect your employees against fire danger. During this course, you will take on the role of a team leader and it will be your job to make sure employees understand their fire safety duties.

### Key Learning Points

- The factors that lead to workplace fires
- How to spot fire hazards at work
- How to evacuate safely
- The importance of fire wardens and PEEPs (personal emergency evacuation plans)
- When and how to use firefighting equipment
