

Working Safely Challenge

Course Overview

Our Working Safely Challenge course combines our Challenge courses in Your Health and Safety, Fire Safety, Manual Handling, Slips and Trips and Risk Assessment. Using elements of gamification and interactivity, the course gives employees the knowledge they need to achieve a safe and healthy work environment for themselves, their colleagues and the public.

What to Expect

Suitable for all staff. When taking our working safely challenge course, employees can expect to learn:

- Why your health and safety matters
- Why it's important to follow good health and safety practices
- What the legislation says with regards to workplace health and safety
- How you can stay safe whilst at work
- Whether you are working in a safe environment
