

## Remote Working

## Course Overview

With an estimated 4 million of us working remotely in the UK, the number of us doing our jobs outside the traditional office environment can only go up.

Whether it's in a home office, a working hub or even on a train, remote working can be very beneficial. It can offer greater flexibility and eliminate commuting. However, it can also bring greater challenges.

Our Remote Working eLearning course enables employees and employers alike to make sure all workers are safe and healthy – wherever they choose to do their jobs.

## What to Expect

This course will teach learners:

- The benefits and challenges of remote working
- How to ensure their DSE is set up correctly
- To avoid threats to personal safety
- How to stay safe while travelling
