

Hazards - Can You Spot Them?

Can you spot the hazards in your workplace?

Course Overview

The hazards you face at work will depend on your job and the environment that you work in but there are common hazards that you are likely to face regardless of where you work.

During this challenge you'll collect shields for correctly identifying each hazard in Cryotec's head office. Collect all of the shields to show you are risk aware.

Key Learning Points

- What hazards are
- The different types of hazard
- Hazards in different types of setting
- Identifying hazards
- Preventing workplace accidents
