

Introduction to Safeguarding Adults

Course Overview

Our Introduction to Safeguarding Adults course shows learners what constitutes abuse, and what to look out for to protect vulnerable adults in need. The safeguarding adults online training also covers tricky topics such as how to report abuse and who to tell if abuse or neglect is suspected.

What to Expect

Throughout this course, employees will learn:

- How to identify potential abuse
- How to recognise signs and symptoms of abuse
- How to report suspected or actual abuse
- How to apply principles of safeguarding adults
- Different types of abuse
- What can happen if safeguarding goes wrong
