

Travel Safe

Course Overview

In an increasingly internationally connected world, many jobs involve travel abroad.

Knowing how to stay safe, healthy and on schedule during work trips is vital. Our Travel Safe course covers all the major topics in business travel, from the logistics of reaching your destination to researching cultural issues for the country you're visiting and avoiding health problems while you're there.

Help Emily, Anaya, Kwan, Tyler and Catalina stay safe on their business trips. Each choice you make during the course will decide whether they have a successful visit or fall victim to one of the many hazards associated with overseas travel.

What to Expect

Suitable for all employees who travel, the course covers:

- How to prepare for your trip
- What to research regarding your destination
- Which practicalities you need to consider before, during and after your journey
- How to avoid common hazards such as theft and illness
