

Introduction to Equality and Diversity

Course Overview

Our Introduction to Equality and Diversity eLearning course will outline your employees' responsibilities when it comes to creating a respectful and inclusive workplace and explain why equality of opportunity is so important for everyone in the work-place.

What to Expect

Employees will learn:

- What constitutes discrimination
- How to prevent direct or indirect discrimination
- How to prevent discrimination by association or perception
- How to deal with harassment and victimisation
- How to recognise protected characteristics which must not form the basis of how we treat each other

As with all of our Compliance eLearning you can tailor this course to your specific requirements using the Adapt Authoring Tool
