

## Managing Disciplinarys

An online course on a manager's role in the workplace disciplinarys process

### Course Overview

Disciplinarys can be a sensitive subject and challenging for managers to navigate. Training on how to handle them well and understand the process is important for managers to have, since it builds their skillset in a vital area.

Our Managing Disciplinarys course focuses on how managers can approach disciplinarys in a constructive manner and follow a process that promotes fair treatment of the employee and the business.

### Key Learning Points

- Identify when disciplinary action is needed
- Identify the key disciplinary principles
- Define misconduct and gross misconduct
- Follow the disciplinary process
- Identify and manage disciplinary outcomes, including dismissals
