

Anti Bribery - International Legislation

Train your employees on International Anti-Bribery Regulations

Course Overview

This microlearning course on International Legislation is a core Take 5 within our Anti-Bribery and Corruption curriculum. The course is designed to offer a deeper understanding of international anti-bribery legislation - vital for global organisations in the fight against bribery and corruption. The course focuses on the importance of understanding international anti-bribery legislation and being able to identify the risks.

Set in an engaging, interactive format, learners will go behind the scenes at TradRmax, a fictitious global wholesale distributor registered in Australia with operations in the UK and the USA. Through scenario-based learning, learners will understand the complexities of organisations operating globally across multiple jurisdictions and how to avoid the pitfalls of bribery and corruption.

Key Learning Points

- What is internal legislation around bribery and corruption
- Why is it important to have a company policy and code of conduct
- What are the risks of excessive hospitality
- How are facilitation payments seen as a bribe in various countries
- How does international legislation affect organisations
