

Bid Suppression

Increase awareness of bid suppression and ensure compliance with competition laws

Course Overview

This online training course on bid suppression is presented in our engaging Take 5 microlearning format.

It explores bid suppression as one aspect of supplier fraud and what it means for the learner. The course pits the learner into real-life scenarios to gain a thorough understanding, and the course is designed to raise awareness around competition laws and tackle important elements in the fight against supplier fraud.

Learners will understand how to spot the red flags and how to minimise the risks of supplier fraud by bid suppression.

Key Learning Points

- What bid suppression is
- How it can lead to supplier fraud
- Spotting red flags to identify potential bid suppression
- How to minimise the risks of supplier fraud
- How is supplier fraud detrimental to businesses
