

Challenging Unconscious Bias

Enable your staff to recognise unconscious bias in themselves and others, and challenge it effectively.

Course Overview

The reality is that all of us can, have the potential to harbour unconscious biases that can all too easily cause discrimination and inequality. Our new Challenging Unconscious Bias eLearning course helps prevent this from happening. Featuring innovative discovery learning interactions and scenarios, enabling your staff to recognise and overcome their biases, and provides them with a practical, non-confrontational framework for challenging biased thinking and decisions effectively.

Key Learning Points

- Understand what Unconscious Bias is.
- Understand the causes of Unconscious Bias.
- How to identify Unconscious Bias in the learner and others.
- How to overcome biases.
- Understand what effects Unconscious Bias can have.
