

## Communicating With Care

Help staff communicate confidently and effectively.

### Course Overview

Good communication is at the heart of all successful organisations and teams. In an increasingly diverse environment, communicating in a way that acknowledges and respects the diversity of the people around us is fast becoming an essential skill.

This is where our Communicating with Care online training course can help. It provides your staff with an understanding of the key things to consider when communicating in a diverse environment. More importantly, though, it gives them a range of practical tips for improving their communications skills, so that they can interact confidently and effectively with a diverse range of people.

### Key Learning Points

- Understand different types of communication.
- Understand why we communicate.
- Understand the benefits of working in a diverse workplace.
- Understand common barriers to effective communication.
- Understand how to overcome common barriers to effective communication.
