

Driving at Work - Preparing for your Journey

Driving at work? Make sure you're prepared before you set off

Course Overview

Driving is one of the most dangerous work activities. Do you know what to do to ensure you stay safe and avoid becoming a hazard to others on the road?

Our Preparing for your Journey short course explores the basic preparations and planning that needs to take place before any work journey.

This course is available as both a Take 5 and a Toolbox Talk, suitable for small group learning.

Key Learning Points

- The importance of road safety at work
- The importance of a workplace risk assessment
- How to make sure you have the correct documents for driving
- What to take into account when journey planning
- The importance of avoiding distractions
