

GDPR in 5 minutes

Raise Awareness on the importance of complying with the General Data Protection Regulation (GDPR)

Course Overview

This online training course on the General Data Protection Regulation (GDPR) is designed to educate members of staff who process personal data of their obligations under the GDPR.

The microlearning course offers a quick refresher to employees on the topic of GDPR. Learn the best practice to follow when it comes to the lawful basis of processing data under the GDPR. Enable employees to become aware of the responsibilities under GDPR and to help their organisations comply with the regulation.

Key Learning Points

- What is the General Data Protection Regulation (GDPR)?
- What is personal data?
- Who are the controllers and processors of personal data?
- Which organisations does the GDPR apply to?
- How can businesses ensure compliance with GDPR?
