

Health and Safety Challenge

The online Your Health and Safety Challenge course covers the basics of employer and employee responsibilities relating to health and safety at work

Course Overview

We all deserve to work in a safe, healthy environment. Achieving this means that both employers and employees must live up to their responsibilities.

Our Health and Safety Challenge course looks at the health and safety legislation that applies in the workplace. It explores how to identify common hazards and how to recognise different health and safety signs. Collect all 7 Personal Protective Equipment badges by identifying employer and employee responsibilities around health and safety in the workplace.

Key Learning Points

- Employers' responsibilities to their workers
- Employees' responsibilities in health and safety
- The causes of workplace accidents
- Safety signs and their meanings
- The importance of workplace risk assessments
