

Health and Safety Overview

The online Health and Safety course provides an overview of health and safety laws and employers' responsibilities

Course Overview

One of the most important commitments employers have towards their staff and the public is to make sure health and safety is their highest priority.

The Your Health and Safety eLearning course explores health and safety law and how it affects individuals and businesses. It provides a useful overview of health and safety responsibilities, how vital risk assessments are and common safety signs you might find in any workplace.

Key Learning Points

- Who has a responsibility to uphold health and safety
- The role of the Health and Safety Executive (HSE)
- The main pieces of health and safety legislation
- Employers' responsibilities
- Health and safety signs and their meanings
