

Managing Diversity

Help your managers promote equality, diversity & inclusion and manage diverse teams effectively with our elearning course.

Course Overview

Equality, diversity and inclusion can deliver benefits to both organisations and the individuals who work within them. Managers have a vital role to play in creating inclusive work environments that allow these benefits to be realised.

Our Managing Diversity online training course helps you to provide your managers with the specific knowledge and understanding they need to manage diverse teams effectively. The course explores the practical things managers can do to promote diversity, resolve problems, and create an environment in which everyone feels valued, respected and capable of achieving their full potential.

Key Learning Points

- Understand the benefits of equality & diversity to managers.
- Know diversity's role as a key component in operating successfully.
- Understand the responsibilities of managers and supervisors for making equality happen.
- Know the basics of building a diverse team.
- Know how to set good standards of behaviour.
- Be able to encourage teams to work together.
- Be able to recognise people's individual needs.
- Be able to identify your own strengths and weaknesses as a manager.
