

# Mentoring Awareness

An online course on mentoring and how it can benefit employees and organisations

## Course Overview

Mentoring lets individual employees access a mentor's experience and expertise in one-to-one conversations. The mentee then applies these insights to fuel their own professional and personal development.

This course outlines the key features of mentoring, contrasting it with coaching, as the two terms are often used interchangeably. It will help you identify potential mentees - and mentors - and set up more effective mentoring partnerships.

## Key Learning Points

- Awareness of mentoring and its importance
- Knowing the difference between mentoring and coaching
- Understanding what mentoring can achieve
- Identifying who can benefit from mentoring
- Awareness of the key skills needed to mentor effectively
