

PUWER

In this course you will learn about PUWER and the 30+ individual regulations that make it up.

Course Overview

In this course you will learn about PUWER and the more than 30 individual regulations that make it up. This is an essential piece of legislation that includes selection, installation, use, maintenance, and inspection of any piece of work equipment.

Key Learning Points

- Identify the key requirements of the PUWER regulations
- Understand the scope of PUWER
- Identify responsibilities under PUWER and who is responsible for what
- Recognise other relevant H&S legislation
