

Slips and Trips

Minimise the risks of falls, slips and trips – among the most common causes of workplace injuries.

Course Overview

The most common cause of major injuries in UK workplaces, slips, trips and falls are almost always avoidable. Employers need to take the threat of slips and trips seriously to meet their duty of care towards their employees.

Our Slips and Trips course takes learners through the causes of slips and trips and how to prevent them.

Key Learning Points

- How slips and trips happen
- What causes slips and what causes trips
- Which hazards can be found in a standard workplace
- The steps to take to prevent slips and trips
- How to clean floors safely
