

## Suspicious Items

Would you know what to do if you found a suspicious item at work?

## Course Overview

Would you know what to do if you spotted a suspicious item at work? Would you be able to recognise one if you saw it?

Our Suspicious Items short course looks at suspicious things that can be mailed or left in the workplace or any public areas. It focuses on two main things: how to identify them and what to do when you spot one.

Learners find out what to do immediately and how to alert the appropriate authorities when the area has been cleared.

## Key Learning Points

- What to do when you spot a suspicious item
- Some of the key features of a suspicious item
- How to apply the four C method
- How to recognise a suspicious item using the HOT method
- How to report a suspicious item
